To

Syed Abdul Aleem, Esq., B.A.,
Secretary to the Government of Mysore,
Revenue Department, BANGALORE.

Sir,

With reference to your Memo No L 13404 dated 13th February 1948 forwarding a petition of the Adi Jambavas of Nanjangud regarding the site for the Harijan Hostel in Nanjangud, I have the honour to state that I inspected the spot on the 10th of March 1948. The site selected for the Harijan Hostel is not a part of the Adi Jambavas Colony but is a part of a Survey Number, which is by the side of the Colony. After persuasion, the Adi Jambava residents have consented to the Harijan Hostel being built on the proposed site. They requested that the land behind the site granted to the Harijan Hostel may be given to them for building a Rama Mandir, school, etc. Necessary action is being taken in the matter. In this connection, some representatives of the Adi Jambavas met the Home Minister and the Minister for Local Self Government in Bangalore on the 11th of March 1948 and expressed their willingness of the Harijan Hostel being built on the site. The petition is returned herewith. I also enclose the report, in original, received from the President, Town Municipal Council, Nanjangud in this connection.

I have the honour to be,

Adverting to your letter No L 16039/R dated 21-4-48 requesting me to submit a report as to the agreement arrived at between the Municipal President and the Adi-jambavas at Nanjangud, I have the honour to forward herewith the report No O C 260/47-48 dated 31st May 1948 and to state that it is reported by the President that the agreement arrived at between himself and the Adijambavas was that the Kurubar Hostel would be confined within the space alloted to them and that they would not be given any more land The extent of land granted to the construction of the Kurubar Hostel is reported to be 150' X 100' (feet)

A large extent of land is stated to be still available in the Adijambava Colony and that the extent is so big as to be sufficient to meet their requirements, such as, school, play grounds and Rama Mandiram etc When the Minister for Agriculture had been requested to lay the foundation stone and when he had consented to perform the ceremony, it is stated that the Adijambavas raised a protest and that when the Deputy Commissioner and the Municipal President reasoned out with them, it became apparent to them that they have no real grievance
